

The Silverado homebrew club will be hosting a brewing event on Saturday, November 5, 2011 for new brewers who would like to learn how to brew their first batch of beer. This event coincides with the American Home-brewers Association “Learn to Homebrew” event:

<http://www.homebrewersassociation.org/pages/events/learn-to-homebrew-day>

Brewing will be held at club member John Saarima’s house in Geneva, IL and start time is 9 AM. Food will be provided.

Location of John’s house is:

2252 Clover Lane
Geneva, IL 60134

To RSVP for this event, please send an e-mail to:

president@silveradohomebrew.com
or call #630-443-1664

There will be a number of experienced home-brewers on hand to help answer any/all questions and quickly resolve any issues that you may have had with your batches of beer the first time you’ve brewed.

We’d love to see you there and introduce you to fellow home-brewers! Call ahead for reservations and we will set you up with a mentor who can show you the steps in the brewing process.
